(conduction)

(h) Electronic .... are extremely useful for carrying

out mathematical calculations quickly. (calculate)

2. Do as directed in each of the following cases. Attempt

any five. **1x5=5**

(a) SLV-3 weighs about 17 tonnes.

(change into Negative Question)

(b) Aluminium is more durable than cast iron.

(Rewrite the sentence using the objective in the

positive degree)

(c) Red switches break the circuits.

(Make it a passive sentence)

(d) They wish they (not join) this factory.

(Supply appropriate verb-form)

(e) Steel is tempered to increase its hardness.

(Make it an Active sentence)

(f) Nuclear power is very important now.

(Into Future Tense)

P.T.O.

(g)   They did something for us.

(Into Negative Question)

3.   Read the following passage carefully and answer the

questions that follow :   **10**

The designs used in the stamping machines are made in

Bombay (now Mumbai) and Calcutta (Kolkata of

today). They are moulded into plaster casts, and then

transferred on to dies. These master-dies are sent to

all the three mints to ensure standardization of minting.

The newly minted coins are checked for weight,

diameter, surface scratches and discolouration. Then

they are counted, bagged and delivered to the banks,

where they pass into circulation.

(a)   Where are the designes in the stamping machines

made?

(b)   Why are the master dies sent to all the three

mints?

(c)   What are the newly minted coins checked for ?

(d)   Why are coins counted, bagged and delivered

to the banks ?

(e)   Give a title to the passage above.

4.   Write a paragraph, in about 150 words, on **one** of the

topics given below :   **08**

(a)   Technical Education : The Need of the Hour.

(b)   Indiscipline in Educational Institutions.

(c)   Handsome Is That Handsome Does.

P.T.O.

5. Write a Short Tender Notice in the name of the Principal,

ITI, Digha, Patna inviting tenders for repair and maintenance

work of the building of the institute.   **05**

<div align="center">

OR,

</div>

Write a letter to the Manager of a firm requesting him

to send you a catalogue of items.

6. Write a report on the losses caused by a fire-incident

in a locality of the poor. Do also suggest certain relief

and rehabilitation-measures.   **07**

<div align="center">

OR,

</div>

Write a letter in the name of the Principal, L.S.College,

Muzaffarpur to the supplier placing order for supplying

books for the college library.

<div align="center">
